Forward-looking statements disclaimer

This presentation contains oral and written statements that are, or may be, “forward-looking statements” with respect to certain of AO World plc’s (“AO”) plans and its current goals and expectations relating to its future financial condition, performance and results. These forward-looking statements are usually identified by words such as “believe”, “estimates”, “plans”, “projects”, “anticipates”, “goal”, “expects”, “intends”, “may”, “will”, or “should” or, in each case, their negative or other variations or comparable terminology. These forward-looking statements include matters that are not historical facts and include statements regarding the Company’s intentions, beliefs or current expectations.

Any forward-looking statements in this presentation reflect the Company’s current expectations and projections about future events. By their nature, forward-looking statements involve a number of risks, uncertainties and assumptions which may be beyond AO’s control and could cause actual results or events to differ materially from those expressed or implied by the forward-looking statements. There are important factors that could cause AO’s actual financial condition, performance and results to differ materially from those expressed or implied by the forward-looking statements, including, among other things: UK domestic and global political, social and economic and business conditions; our ability to maintain our culture, expand into new European territories, grow our brand and attract new customers; the resilience of our IT systems; changes in regulations or compliance and interruption to physical infrastructure. A further list and description of these risks, uncertainties and other factors, is set out in our Interim Results for the six months to 30 September 2020 and our Annual Report for the year ended 31 March 2020 both of which can be found at www.ao-world.com.

Forward-looking statements contained in this presentation regarding past trends or activities should not be taken as a representation that such trends or activities will continue in the future. You should not place undue reliance on forward-looking statements, which speak only as of the date of this presentation. No representations or warranties are made as to the accuracy of such statements, estimates or projections. AO expressly disclaims any undertaking or obligation to update the forward-looking statements made in this presentation or any other forward-looking statements we may make except as required by law.

Please note that the Directors of the Company are, in making this presentation, not seeking to encourage shareholders to either buy or sell shares in the Company. Shareholders in any doubt about what action to take are recommended to seek financial advice from an independent financial advisor authorised by the Financial Services and Markets Act 2000.

UK SG&A cost analysis

UK

- Total UK SG&A costs fall as a % of revenue against HY20
- Advertising & marketing expenses increase against prior year with higher investment in acquisition costs and targeted TV campaign
- Warehousing costs reduce as a % of revenue against HY20 as we drive efficiency and leverage our infrastructure; absolute costs increase as a result of significant investments made in our capacity to serve increased demand and costs of safer working practices
- Other admin costs continue to fall as a percentage of revenue as we gain efficiencies of scale with growth in volumes despite investment in teams across the business

Strategic Progress

John Roberts
Founder and Chief Executive
Introduction

• A half-year like no other
• Thanks to the AO team and our partners
• Millions more customers experienced a better way to shop electricals
Investing for growth

- Doubled our capacity in HY21 with £2m cash capex
  - 1.3m sq ft of warehousing space
    - 740k sq ft in March
  - Currently 150,000 two-person deliveries per week (60,000 per week in March)

- Created 800 new roles since March

- Proven scalability of the business with operational gearing

- World-class NPS maintained
Permanent structural shift to online

- Anticipating a buoyant market for sustained period globally
- UK growth rates accelerating as capacity becomes available for customers
- Well positioned for market tailwinds
- Improved profit performance despite Covid-19 related safety investments
- Available cash and facilities increased from £80.1m to £141.5m YoY
Game changing progress in Europe

• Everything we expected to happen has materially come through to reality
• P&L dynamics now a lot closer to the UK
• Expect German business to be profitable for the full year FY22
• Leveraged knowledge and experience of 20 years to repeat a proven model
Customer proposition and brand

Progress

• Continued investment in creating a simple, intuitive shopping journey
• Improved customer experience: personalisation, chatbots, quicker and simpler payments
• Improved delivery capacity and service proposition
• New visual identity

Opportunities

• Further brand investment
• Mobile remains a significant opportunity
• Digital content investment – new London creative hub
Doing the right thing

- Our difference underpinned by our AO Culture
- Unique AO Value Creation Plan for all AOers
- Cradle-to-cradle appliances created from our recycling capabilities
- Long-term mindset to do what’s right
AO Ecosystem

- Value of vertical integration – united behind a single strategy
- B2B business growth during lockdown reaching new customers
- AO is now an approved supplier to most major housebuilders
- AO proposition trial in five Tesco stores
• Significant operational gearing
• Proven scalable model
• Structural advantage and market leading returns
• Medium term UK EBITDA margin target of c.8%
• Reinvest gains in proposition improvement
• Structural gain in cash flow
Looking ahead and summary

• Accelerated growth at the start of 2HY21
• Capitalising on investment in logistical scale
• Changes in customer behaviour will stick – cement this with amazing service
• Enormous international opportunity as the digital first retailer
• Thanks to the AO team and our partners
• Now is our time
Thank you!
